

Reinsurance Coverage Declaration 2022

We herewith confirm that Munich Re is reinsuring the Sales and Buyers Insurance Policy which was issued by CPIC (Shanghai) to:

Wuxi Suntech Power Co., Ltd (“Suntech”)

9 Xinhua Road, Wuxi New District, 214028 Wuxi, Jiangsu, P.R. China

The Sales and Buyers Insurance Policy is a Back-Stop for Suntech’s Limited Warranty and protects both the manufacturer and its sales (Buyers) of photovoltaic modules, and which have been registered to be included under this insurance during the Policy Period of January 1 - December 31, 2022. The terms and conditions have been agreed upon, which include:

- Insurance limit dedicated exclusively to each PV project / Buyer (no “first-come-first-serve”) under the Buyers Policy.
- Insurance Program insures Suntech’s Limited Warranty, including Product Defect and Performance Output.
- Significant insurance limit for 25 years (30 years for double-glass modules) which does not decrease in later years and is non-cancellable (coverage persists even if Suntech becomes insolvent).
- Suntech’s customers, whose panels have been registered with Munich Re, will enjoy an irrevocable and insurance-backed warranty which provides third-party beneficiary status to the insurance in case of insolvency or bankruptcy.
- Deductible does not erode the insurance limit.
- PV projects are qualified for additional Munich Re insurance (Top-Up Cover / Option Cover).
- Immediate coverage for Buyers (no waiting period).
- Reinsured with a strong capital base: A.M Best **A+**; S&P **AA-**

We recommend that Buyers request a Beneficiary Declaration Letter issued by Munich Re to confirm and verify that their panels have been registered with Munich Re (through a request to Suntech).
