and link it with **Autel Cloud**

# CREATE stripe ACCOUNT

## ◆ What is STRIPE?

Stripe is a **payment gateway** used by many developers and businesses.

## ◆ Why use STRIPE?

**Autel Cloud collaborates with Stripe** to make the transactions smoother and more secure when using Autel EV charging services. Now you have the opportunity to get a demo account of the Autel Cloud, to bind it with a Stripe account and to experience how to become a CPO with Autel Charge Cloud.

## ◆ How can I use STRIPE?

This guide helps you to create your Stripe account and to activate it in a few easy steps.

## USER GUIDE

1 ► Go to Stripe official website via <https://stripe.com> and click on **Sign in**

The screenshot displays the Stripe website interface. At the top, the Stripe logo is on the left, and navigation links for Products, Use cases, Developers, Company, and Pricing are in the center. A 'Sign in' button is on the right, highlighted with a green arrow. Below the navigation, the main content area features a large heading 'Payments infrastructure for the internet' and a sub-heading 'Millions of businesses of all sizes—from startups to large enterprises—use Stripe's software and APIs to accept payments, send payouts, and manage their businesses online.' In the foreground, a mobile payment interface is shown, displaying a payment for 'Increment Magazine' (€14 per quarter) with an 'Apple Pay' button and a 'Pay' button. To the right, a desktop dashboard is visible, showing a 'Today' summary with a line chart for Gross volume (€3,528,198.72 vs €2,931,556.34) and a 'Reports summary' section with various metrics and charts.

The screenshot shows the 'Get started with Stripe' section. It features two main options: 'Create your first connected account' and 'Share a payment link'. The 'Create your first connected account' option includes a 'No code' badge and a 'Start →' button. The 'Share a payment link' option includes a 'New No code' badge and a 'Start →' button. To the right, there are several helpful links: 'Not sure where to start?', 'Explore all products', and 'For developers' which includes a 'Publishable key', a 'Secret key', and a 'View docs →' link.

7 ▶ Fill in all the information requested. Please note that:

- **Tax calculation** is optional, you can select **Electronically supplied services** if you would like to choose one.
- You can also select **Not right now** in the **Climate contribution** section.

The screenshot shows the 'Activate your account' form. The 'Tell us about your business' section is active. It includes a sidebar with navigation links: 'Business structure', 'Business details', 'Fulfillment details', 'Support details', 'Bank details', 'Two-step authentication', 'Tax calculation', 'Climate contributions', and 'Summary'. The main content area has a heading 'Tell us about your business' and a sub-heading 'The information Stripe collects about your business helps us meet requirements from regulators, financial partners, and our [Services Agreement](#).' Below this, there are several input fields: 'Registered business address' (a dropdown menu with 'United Kingdom' selected), 'Address line 1', 'Address line 2', 'Town or City', and 'Postal code'. A note states: 'This address must match the address filed with the UK tax authority. [Find your filed address here.](#)' Below the address fields, there is a 'Type of business' dropdown menu with 'Individual / Sole Trader' selected. At the bottom, there is a 'Continue →' button.

**14** ▶ Now your Stripe account is connected with Autel Cloud. All payments of the EV charging sessions will go to your Stripe account.

A screenshot of the Autel Cloud web interface. The top left shows the 'AUTEL' logo. The top right has a language dropdown set to 'English', a notification bell, and a user profile for 'admin'. A left sidebar contains navigation items: Dashboard, Maps, Cards, Sites &amp; Chargers, Customers, Accounts, Finance (highlighted), Marketing, and Alerts. The main content area is titled 'Finance &gt; Payment' and shows 'Collection setting: Stripe'. It displays 'Your Stripe account' with a green bar, followed by a note: 'You can click "modify stripe account" to modify the account information and submit it to stripe for approval again. Your account information is as follows:'. Below this, the account details are listed: 'Company name: AUTEL EUROPE GmbH.', 'Account type: [redacted]', 'Account email: [redacted]', 'Account status: [redacted]', and 'Approval status: [redacted]'. A green 'Modify stripe account' button is at the bottom left. On the right side of the content area, there is an illustration of a man in a red shirt pointing at a large smartphone screen, and a woman in a yellow shirt sitting on a blue chair looking at her phone. The background of the illustration includes a green donut chart and a purple circle.

Thank you for your cooperation and patience.  
Start enjoying smoother payments of your charging sessions!
