

Reinsurance Coverage Declaration

We herewith confirm that Munich Re is reinsuring the Sales and Buyers Insurance Policy (Policy Number: ASHZ30191324QAAAAA1M) which was issued by China Pacific Property Insurance Co., Ltd. ("CPIC") to:

Zhejiang Aiko Solar Technology Co., Ltd ("Aiko")

No. 655, Haopai Road, Suxi Town, Yiwu,, 322009 Zhejiang, P.R. China

The Sales and Buyers Insurance Policy is a Back-Stop for Aiko's Limited Warranty and protects both the manufacturer and the Buyers of insured photovoltaic modules. Modules that were sold during the Policy Period of 20.03.2024 – 19.03.2025 are eligible for insurance. Please be aware that not all modules sold by Aiko during the above mentioned Policy Period are covered by the insurance, but only those that were successfully reported to Munich Re

The terms and conditions have been agreed upon, which include:

- Insurance limit of 8% dedicated exclusively to each PV project / Buyer (no "first-come-first-serve")
- Insurance Program insures Aiko's Limited Warranty, including Product Defect and Performance Output
- Significant insurance limit for 30 years which does not decrease in later years and is non-cancellable (coverage persists even if Aiko becomes insolvent)
- Minimum size per project 2MW and minimum deductible of 200,000 USD per claim
- Aiko's customers, whose panels have been registered with Munich Re, benefit from an insurance-backed warranty in case of Aiko's insolvency or bankruptcy.
- Deductible does not erode the insurance limit
- PV projects are qualified for additional Munich Re insurance (Top-Up Cover / Option Cover)
- Reinsured with a strong capital base: A.M Best **A+**; S&P **AA-**

We recommend that Buyers request a Beneficiary Declaration Letter issued by Munich Re to confirm and verify that their panels have been registered with Munich Re (through a request to Aiko).
