

BYD Invitation-Virtual Booth at Online Event.

Dear Value Customers:

Want to learn about our latest products and innovations? Join us at our online virtual booth on July 29th.

Check the link below:

<https://www.thesmartere.com/en/events/online-events/ees-innovation-day>.

With the growth of new premium series, we are looking forward to tell our innovation story, which is so closely connected to yours, BYD Battery-Box Team will present our latest innovations and portfolios at the online sessions.

You could watch our live presentations at the event stage area from 3:00pm-3:45pm (CEST), which will share our stories, and showcase the design concept, highlights, installing tips of Battery-Box Premium. And you could approach us in personal 1:1 chat in virtual booth/Expo area, we will be there all day together with our excellent service partner EFT-Systems GmbH, to listen your ideas & questions (8:00Am-18:00Pm, CEST).

Can't wait to meet you there! Register now for free :
