

LG MONO X™ NEON: IN A CLASS OF ITS OWN.

Dear Installer,

We invite you to join us in looking forward to the **LG Mono X™ NeoN** product launch. Discover a new dimension in energy efficiency that is sure to make your sales figures shine.

Our new solar modules simply make the most of the sun.

- 280–300 Wp – for full solar power
- 60 cells – for even greater performance in the tightest of spaces
- 5400 Pa – for supreme load-bearing capacity

You will be well informed from the very start with the LG information box.

The LG information box contains essential facts and everything you need to know about the **LG Mono X™ NeoN**. You can use this to help you to advise customers. After Easter you will receive the LG information box from your LG sales partner, who will be happy to assist you with any queries you may have.

With the forthcoming product launch, the **LG Mono X™ NeoN** will not only be on the market, but also on the roofs of your customers in next to no time.

We hope you enjoy getting to know the **LG Mono X™ NeoN** and wish you every success with your sales.
