

# SUNGROW LIKE YOU'VE NEVER SEEN BEFORE

Smart Energy Virtual Show

**June 15 - 19**

**SUNGROW**  
Clean power for all

# CLEAN POWER FOR ALL

Never stop exploring! This is to all the game changers out there, to all who want to make the world a better place to live in. Simply said, to all who want more.

Sungrow invites you to join our first ever digital Expo taking place on 15-19 June 2020, the same period of the cancelled Intersolar Europe 2020. At our **one of a kind Expo**, you will be able to **explore**

**the latest product portfolio** and **engage with industry players** for more opportunities, insights and connections in a **fully-immersive virtual venue at your fingertips!**

**Wherever you are**, you can be flexible to:

take a 360 degrees virtual tour of Sungrow booth

see the newest PV and ESS innovations for utility-scale, commercial and residential applications

attend trainings, private meetings, conferences with professionals and more

visit our one of a kind 30,000 square meters mega-factory from the comfort of your work space

join actively and win a raffle prize daily

**REGISTER HERE  
FOR FREE!**

We can't wait  
to meet you!
